Pay sales tax Declarations

The website allows taxpayers to pay sales taxes associated with pre-submitted sales declarations by following these steps:

1. The taxpayer shall access the taxpayer's website.
2. The system displays the following information related to the entered year :

- The total amount of fines.
- Table containing the following :

  o Types of Payments Required
    - Sales tax (public/private).
    - Fines (public/private).
    - Differences (public/private).
    - Fine 0.004
    - Penalty for late filing of a tax return.
    - A fine of double (public/private).
  o Required amount: It expresses the original amounts required from the taxpayer for each of the types of payments listed above, and they are all readable from the system.
  o Amount to be paid : It expresses the amount to be paid by the taxpayer and is entered by the taxpayer.
